

The River Deck Restaurant

Large Corporate Package

*Absolute Waterfront Dining
Sweeping Noosa River Views*

Corporate Event - Exclusive Restaurant Use

Thank-you for considering The River Deck Restaurant as a venue for your corporate event. The River Deck Restaurant is an outstanding venue at any time of the day or year. Dramatic sunsets, glistening water all year round and sweeping views up and down the Noosa River, will ensure an extraordinary event and unique memories for your guests. Canapés and pre dinner drinks may be enjoyed on our exclusive decks above the river with panoramic backdrops of the majestic Noosa River.

Whether arriving by charter cruiser, the charming historic Noosa ferry or by road, your guests will be assured of a genuine warm welcome, quality contemporary dining, a stunning waterfront location. You are welcome to select your own entertainment and decorating theme for the entire venue when choosing to book the restaurant exclusively. 'Formal Dining' or a stand up 'Cocktail Party' style event are both options available to you.

At The River Deck Restaurant, we will work with you to ensure your event is unique. The River Deck Restaurant offers ample room for your guests to mingle, dine and dance. Our expansive deck areas are available for your guests to enjoy the spectacular views and relax.

To offer you maximum flexibility for your corporate event, you may choose to book the restaurant exclusively by using our 'minimum spend' guide. Simply divide the 'minimum spend' by the number of guests attending to reach your price per guest. Then select a date to best suit your budget.

As an example—if you have 60 guests and want to book The River Deck Restaurant exclusively on an 'off peak' Saturday night, divide \$8,000 by 60 guests to reach a minimum spend of \$100.00 per guest. Simple!

All 'minimum spends' are based on key elements which are specific to your event. These elements include—

- The day of the week you choose to celebrate
- The time of day you choose for your event (breakfast, luncheon or dinner)
- The time of year you choose. Noosa experiences 'on peak' and 'off peak' periods during the year. As an example, Saturday evenings, school holidays and the Christmas/New Year periods are 'on peak'.

The prices following are a guide to the minimum spends required for evening events (5pm-11pm) and luncheon events (10am-4pm). Cocktail events attract the same minimum spend as formal dining events.

In consideration of our neighbours, all evening functions must conclude by 11pm, with guests vacated by 11.30pm.
